### **Lone Star College - Undergraduate Research Day Spring 2021**

- “Robots, Romance, and Realism: How Film Shapes – and Distorts – Our Perceptions of Health and Modern Spaceflight” was selected for Honors Day Spring 2021.
- “What’s your turnip price?": Animal Crossing and Economic Education” was selected for Honors Day Spring 2021.

*Dec. 2021*

### **Lone Star College - Undergraduate Research Day Fall 2021**

- “Girlbossing from 1890-2021: Fame and Feminism in *Sister Carrie*” was selected for Honors Day Fall 2021.
- “Stuck in the Nineties: A Comparison of Maternity Leave between the United States and European Countries” was selected for Honors Day Fall 2021.

## **LEADERSHIP AND SERVICE**

*May 2021 – May 2022*

### **Honors College Leadership Program (HCLP) – Peer Mentor Co-Lead**

- My position as a Peer Mentor Lead allowed me to collaborate with incoming students to ensure they have a mentor and train mentors to be the best role-models for their mentees.
- In Fall 2021, I created a mentor and mentee matching form to guarantee all new students were comfortable and welcomed within a collegiate environment.

*Apr. 2021 - Present*

### **Phi Theta Kappa Honors Society Officer**

- A team-based program, where officers work together to find a need within the community, create a research project, and apply our knowledge to improve the issue.

*Aug. 2021 – May 2022*

### **National Model United Nations Delegate**

- As a National Model United Nations (NMUN) Delegate, I represented the International Federation of Beekeeper’s Associations at the NMUN conference in New York City.

*Sep. 2021 – May 2022*

### **Aggieland Humane Society Volunteer**

- As a volunteer, I ensure the animals within the shelter are comfortable and content during their stay.

## **SKILLS**

*Fall 2022 - Present*

### **Honors College Leadership Institute**

- A day-long leadership event where leaders across the Lone Star College system share useful information on conducting projects, conflict resolution, and various other facets of being a productive leader.

*Fall 2022 - Present*

### **C++, HTML, and CSS**

- Through my computer science courses at Texas A&M University, I have gained skills in particular coding languages. The courses are listed below.
  - CSCE 121: Program Designs and Concepts
  - CSCE 222: Discrete Structures
  - VIST 474: Designing for the Web
